A high-contrast black and white photograph. The upper half of the image is dominated by a dark sky filled with dramatic, illuminated clouds. A bright light source, likely the moon, is positioned near the top center, casting a strong glow. Below the horizon line, which is roughly in the middle of the frame, the ocean's surface is visible, reflecting the light from above. In the lower right foreground, the dark silhouette of a person stands on the beach, looking out towards the water. The overall mood is contemplative and atmospheric.

Dear Students and Faculty,

Many hours of work and many sleepless nights have gone into this yearbook. I thank all my staff for the fine work they've done - a special thanks to CeCe, Chuck, Janice, Don, Mabel and Brother Barney for their extra efforts and also to the few who volunteered their time. Last but not least I'd like to thank my wife who has been really patient with me while working on the yearbook. I hope you enjoy our efforts.

spiritual

matthew 4:10

then saith Jesus unto him, get thee hence, Satan: for it is written
thou shalt worship the Lord thy God, and him only shalt thou serve

1 nephi 10:19

for he that diligently seeketh shall find; and the mysteries of God shall be
folded unto them: by the power of the Holy Ghost, as well in these times
as in times of old, and as well as in times of old as in times to come; wherefore
the course of the Lord is one eternal round.

moroni 10:7

and ye may know that he is by the power of the Holy Ghost wherefore i
would exhort you that ye deny not the power of God; for he worketh by power according
to the faith of the children of man, the same today and tomorrow, and forever.

the radiance of God
shines from each man's face
when knowing that you
have shared a part of his wisdom
when it comes to God
we teach each other
when you teach
one may learn our Father's world
through our own

it is true we are created in God's image
for you can see the glow in each man's eyes
as he teaches righteousness to others the wisdom of the Lord

students!
how important they are in the sight of God.
education!

how significant in the lives of students -
training the mind,
shaping the will,
enlivening the spirit,
to preceive God's universe,
to obey His word,
to listen, follow the small voice within.

i love students.
i love education.

emotional

2 naphi 2:25

Adam fell that men might be; and men are, that they might have joy.

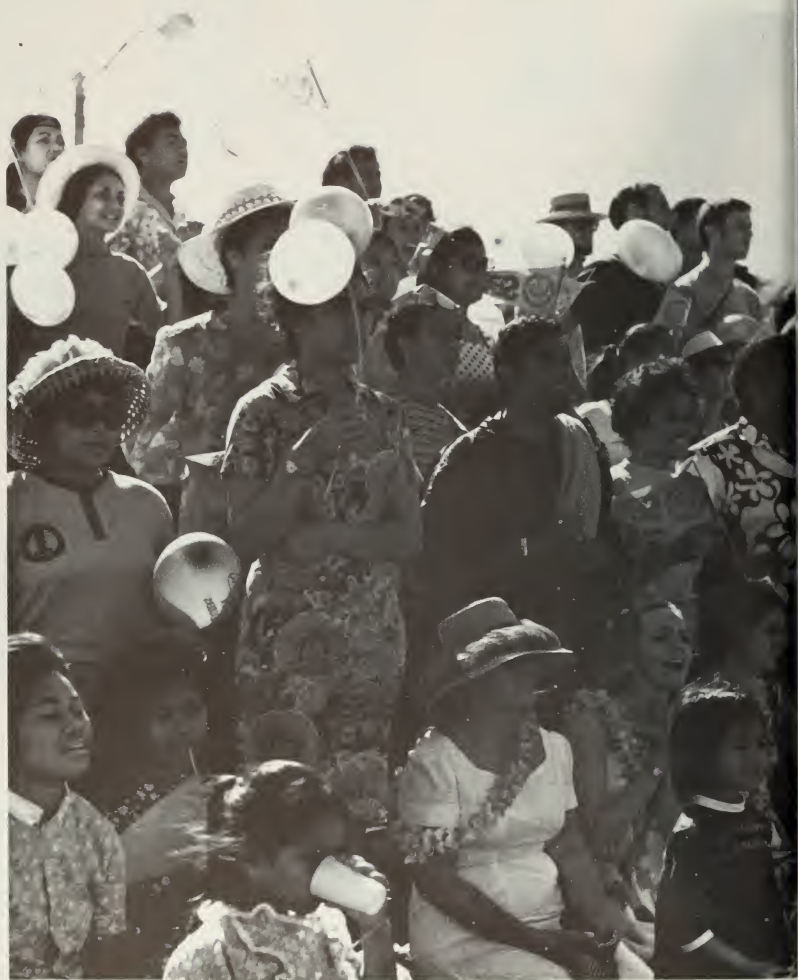

genesis 2:24

therefore shall a man leave his father and his mother, and shall cleave unto his wife: and they shall be one flesh.

mark 12:30-31

and thou shalt love the Lord thy God with all thy heart and with all thy soul, and with all thy mind, and with thy strength: this is the first commandment .

and the second is like, namely this, Thou shalt love thy neighbor as thy self. If there is none other commandment greater than these.

p.e.c. is

the polynesian cultural center is the result of concern that, with the western world making even greater inroads into the culture of the south seas, polynesian cultures would diminish and die. the center was conceived as an insturment for the preservation and showcasing of the fascinating cultures of these people while providing - through jobs and scholarships - educational opportunities for pacific island students.

fiji independence - 10 october

a cup of kava

and a pale blue flag

-without hate

-without war

-without confrontation

they burst the bond of centuries.

-with the blessing of the queen

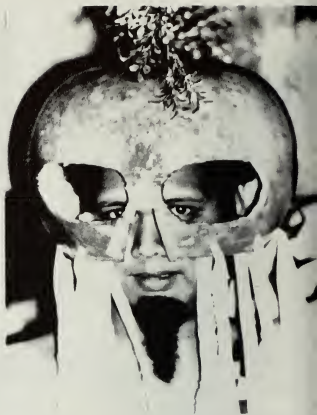

-with the visit of prince charles -with the good will
of their people

they declared their independence.

a cup of kava

and a pale blue flag

our gift of perfection

must be our example to the world---

it's all in how you look at it

photographs from: WORLD WIDE PHOTOS

the world 1970

peace. a word to live by. a word to live for.

we, the unwilling . . .
do the impossible . . .
for the ungrateful . . .

peace?!!?
